

## **GOVERNMENT – NGOs PARTNERSHIP FOR ENVIRONMENTAL IMPROVEMENT**

Environmental Protection Agency Punjab has launched a project “**Community Based Environmental Improvement Programme**” which aims at taking measures for the improvement of environment in urban & rural areas through the implementation of **need based and small sized environment projects** by **Non-Government Organization (NGOs)**. The government and NGOs contribution towards project cost would be 80% and 20% respectively.

The registered NGOs of Punjab Province are invited to submit their project proposals on the **prescribed form** in the office of DO (Environment) of their respective district by **29.04.2013**.

**The guidelines and project proposals forms** for the preparation of Project Proposals may be obtained free of cost from the office of DO (Environment) of respective District.
