

## Environment Protection Department Government of the Punjab

### Notice for Stakeholder

### Consultations/Comments

Environment Protection Department, Government of the Punjab has been working on the “Punjab’s State of Environment Report” for the Calendar Year 2022. In this regard, a stakeholder’s consultation session was earlier held on 7<sup>th</sup> November, 2022 on the proposed contents of the report.

Now, the Environment Protection Department has prepared the draft report on the “Punjab’s State of Environment, 2022”. The draft Report is available at the EPD’s website i.e. [www.epd.punjab.gov.pk](http://www.epd.punjab.gov.pk) for two weeks for online public comments. In addition to general public, the stakeholders from concerned Government of the Punjab Departments, chambers of commerce, industrial associations, civil society organizations, the media and donor agencies are also requested to give their feedback/ comments on the draft report.

Therefore, it is hereby stated that comments on the draft report shall be communicated within a period of **two weeks i.e. until 17.04.2023** from this date of posting (i.e. 03.04.2023) on the EPD’s website. The comments may be provided to the email id: [direp&p@epd.punjab.gov.pk](mailto:direp&p@epd.punjab.gov.pk).
