Subject: Smog Commission

18 January 2018

Attention: Mr. Mohammad Azhar Siddique

Dear Azhar:

Thank you for your letter of 15 January 2018 which I received today on return from Karachi.

I am aware of your eminent contribution to the establishment of the Smog Commission as well as of Imrana Tiwana's dedication in this field.

The Smog Commission met in its second meeting on 13 January 2018 and as decided in its first meeting on 5 January 2018, it considered and decided on the co-option of additional members. This was done after full notice to all the members of the Commission and after requesting each of them to scout and recommend additional membership of the Commission. The process stands completed and concluded.

I was not aware that a panel of experts had been recommended by the petitioner to the Chief Justice. I am also not aware why these recommendations were not accepted.

The second meeting of the Commission set up Committees each of which is given four (4) weeks to complete its work and make recommendations. The third meeting of the Commission will be at the end of February or early March to finalize its recommendations to the Lahore High Court. This program was reported to the Chief Justice on 15 January 2018 and duly recorded in the order of the Court.

If you or Imrana have any suggestions or guidance for our work, please send them to me and I will share them with the Committee and the Commission.

With warm personal regards.
Dr. Parvez Hassan
