

**ENVIRONMENTAL CONSULTANTS ASSOCIATION OF
PAKISTAN (ECAP)**

Dr. Parvez Hassan ESQ

Senior Advocate

Supreme Court of Pakistan

Chairman

Punjab Smog Commission of Lahore High Court

PAAF Building, 7-D, Kashmir Edgerton Road Lahore Pakistan.

Date: 15-01-2018

Respected Dr. Sahib:

We hope that this letter finds you in an excellent state of health and vital animating essence as the Pakistani enviro-friends need the true Climate leadership that only your good self can provide. We Congratulate you for heading Smog Commission, constituted by the honorable C.J of Lahore High Court to address and redress the health hazardous concerned with Acidic Smog pollution.

Dear Sir, we are pleased to introduce you the Environmental Consultants Association Of Pakistan (ECAP) which is a representative forum of environmental consultants, comprising environmental law, science & engineering experts.

Esteemed Sir, E CAP has been striving for the protection of clean and healthy environment, eradication of pollution and promotion of sustainable development by proposing to adopt different scientific or engineering solutions to the environmental problems. To maintain the decorum of service to humanity E CAP voluntarily and unconditionally offers its Environmental Techno legal intellectual support to facilitate the Smog Commission work as per TORs in the larger interest and wellbeing of citizens of Pakistan within letter & spirit of dictum laid down by the Apex Court in SHEHLA ZIA Vs WAPDA Case under Art.9 of the Constitution wherein , your immortal intellectual efforts gained overwhelming recognition.

Dear Sir , ECAP seeks its representation in the Smog Commission while nominating the following two professionals who are widely acknowledged as competent in their specialized fields subject to your sweet will and kind approval to assist the commission for ascertaining the prevailing causes, facts , hazards and proposing best available , billable and best practicable solutions of Smog pollution for incorporating in the Commission's recommendations.

1. **Mr. Syed Nihal Asghar** (senior environmental technical expert). 0300-9768799
2. **Mr. Sardar Aasif Ali Sial.** (senior environmental legal expert) 0300-9407095

ECAP would be honored to work under your captaincy for the noble cause of eradication of Smog pollution.

With Best Regards,

(Secretary General)
