Observance of World Environment Day on 5 June 2025

World Environment Day 2025, observed on **June 5** and hosted globally by the **Republic of Korea**, focused on the theme “**Beat Plastic Pollution**,” as declared by the **United Nations Environment Programme (UNEP)**. Plastic pollution has permeated every part of the planet polluting the water we drink, the food we eat, and the air we breathe.

In line with this global movement, the Environmental Protection Agency (**EPA**), **Punjab**, under the **Punjab Environmental Protection (Production and Consumption of Single Use Plastic Product) Regulations, 2023**, has intensified its efforts to combat plastic waste. To date, **over 300,000 single-use plastic** items have been confiscated across the province as part of enforcement actions.

Introduction

In observance of World Environment Day (WED), the **Environmental Health, Dengue Control, and Hazardous Waste Section** of the EPA Punjab reflecting activities conducted in all districts of Punjab. The WED report captures a wide range of impactful, awareness-driven initiatives such as **seminars, awareness walks, tree plantation drives, cotton bag distribution, and thematic performances in schools**.

Through strong public engagement, students, citizens, officials, and stakeholders across Punjab pledged to adopt environmentally responsible behaviors, reaffirming the province’s commitment to reducing plastic pollution and protecting environmental health in line with UNEP’s global theme. This observance of WED is presented on the following page.

Key Highlights

- Celebrated globally with **zeal and commitment**, focusing on solutions to combat plastic pollution.
- **Host of World Environment Day 2025**, leading with the “Plastic Zero Jeju” campaign.
- Around **400 million tonnes of plastic waste** is generated globally each year—only **9% is recycled**, highlighting the urgency.
- **Rwanda, Kenya, Germany, Sweden, and New Zealand** are among the world’s top-ranking countries in plastic-free progress, thanks to strict bans, advanced recycling systems, and strong public awareness.
- **Common outcomes** among leading countries to control the plastic menace include effective policies, strict bans, actionable plans, and citizen-led environmental initiatives.
- **Punjab** stands out for integrating enforcement with its **unique Plastic Pledge Movement**, making it one of Pakistan’s most coordinated and community-driven anti-plastic initiatives.

Environment Day awareness meeting and walk held in Safdarabad

BY TARIQ KHAN

SHEIKHPURA: A review meeting was held at the Assistant Commissioner's office in Safdarabad to organize World Environment Day events. The session was chaired by Deputy Director Environment Protection Department, Chaudhry Abdul Qayyum. AC Safdarabad, the Chief Officer, related officials, and representatives of Anjuman Tarran Safdar participated. Discussions focused on eliminating plastic bag use, its harmful environmental effects, and Punjab government's strategy to tackle plastic pollution. Participants emphasized that all officials and staff must actively raise public awareness and work with social groups to implement provincial government initiatives effectively. The meeting concluded with an awareness walk attended by government officers, employees, and citizens. Later, Chaudhry Abdul Qayyum also chaired a seminar on environmental pollution control, attended by teachers, students, and representatives from various sectors. He stressed that eliminating environmental pollution is a top priority, and coordinated efforts involving social circles are yielding positive results.

Seminar held on world environment day

BY MUHAMMAD SHAFIQ BAZMI / NAVEED UR REHMAN

SHEIKHPURA: In collaboration with the Sheikhupura Environment Protection Department, Government Degree College Sheikhupura hosted a seminar in observance of World Environment Day (June 5). The seminar aimed to raise awareness about the growing threat of global pollution. ADC (Revenue) Sheikhupura, Usman Jalees, was the chief guest. Other notable attendees included Deputy Director EPA Abdul Qayyum, Assistant Director Rana Abdul Hameed, Deputy Director Colleges Azma Idrees, college principal, inspectors Naveed Ahmed and Ghulam Rasool, technical staff, professors, and a large number of students. Addressing the event, Usman Jalees emphasized that environmental pollution is a global crisis and urged everyone to play their part in ensuring a clean environment for future generations. He highlighted that, under the directives of Punjab Chief Minister Maryam Nawaz, the district administration is actively implementing eco-friendly initiatives like 'Suthra Punjab'. Deputy Director EPA Abdul Qayyum said the department is conducting strict actions against polluting factories, brick kilns, smoke-emitting vehicles, and plastic bag usage. He also mentioned tree plantation drives and ongoing legal action, including demolitions and heavy fines against violators. In connection with June 5, the department also planned awareness activities and special walks involving all community segments. The event also featured speeches by Azma Idrees, the college principal, EPA officers, professors, and students. To reaffirm their commitment to combating pollution, students printed colorful handprints on a wall in collaboration with the EPA.
